Case Study

# Transforming English Language Outcomes in a Private School (Mexico City, Mexico)

## Client:

Prestigious bilingual K-12 private school

## Challenge:

English program stagnation; students were underperforming on international benchmarks.

## Our Approach:

- Conducted a curriculum audit.
- Introduced differentiated learning pathways and teacher training workshops.
- Integrated adaptive learning technologies.

## Outcome:

- 35% increase in TOEFL Junior scores in 12 months.
- 90% teacher satisfaction rate with new methods.
- School marketed new achievements to boost enrolments by 12%.
